7. Written Communication.

- I. May 5, 2021, Communication from Russell Stolte, requesting Lien relief for property located at 56 Teakwood Drive.

Recommendation: That the Board review and consider the Lien relief request made by Russell Stolte, owner of the property, against 56 Teakwood Drive.

On August 21, 2014, the Board amended the "Guidelines for Relief from Environmental (Code) Enforcement Special Magistrate Liens" policy, Section III, H2. Staff was instructed to review all the requests for forgiveness and allowing County Administrator to act on the Board's behalf if set criteria are met.

After reviewing the request for forgiveness of liens, staff made the determination that the request does not fall within the criteria that would allow the County Administrator to act on the Board's behalf and grant relief, in accordance with the Board's Policy, "Guidelines for Relief from Environmental (Code) Enforcement Special Magistrate Liens" Policy, Section III, H2.

County Attorney's Office reviewed the request and determined this request must be presented to the Board for review, due to an open Special Magistrate Order attached to 2911 Buddy's Lane.

The property is located in Commission District 2.

Motion: Move to do a partial lien release separating the Buddy's Lane Property from the other, while making no changes to the obligations on the remaining properties

9. Public Hearing.
- I. Recommendation: That the Board, at the 9:01 a.m. Public Hearing, adopt and authorize the Chairman to sign the Ordinance [Number 2021-25] creating the Belmont Downs Subdivision Street Lighting Municipal Services Benefit Unit (MSBU), and all related documents, and make the following findings of fact:
 - A. Lots in the District are specially benefited, since street lighting not only increases the market value of an individual lot, but also increases safety in the District surrounding individual lots, and the ability of lot owners to use their individual lots after dark;
 - B. The benefit from improved street lighting varies according to the relative size of the affected lots. Residential lots benefit from improved street lighting uniformly because of the small variation in size throughout the District;
 - C. The non-ad valorem special assessments levied represent a fair and reasonable apportionment of the cost of the special benefit received by each lot, and do not represent a fair share of the cost of general governmental service provided to residents in the unincorporated areas of Escambia County; and

II. FOR INFORMATION

1. Recommendation: No action required.

Effective July 1, 2021 the ICMA 401(a) employer contribution rate is as follows:
SMSC 4.67%
Elected Officers Class 8.34%

BACKGROUND SUMMARY:

The 401(a) plan is available for Escambia County employees in the Senior Management Services Class (“SMSC”) and the Elected Officers’ Class. The plan was established at the local level for those employees that meet certain criteria and opt out of the Florida Retirement System (“FRS”).

In March 2016 the ICMA agreement was brought back to the Board of County Commissioners as an update. The contract remained in substantial form as the previous agreement approved in 1997. The rate of employer contribution is not specific; however, on page 2, under Contribution Provisions, the agreement sets the rate at the “**Rate of Contribution per Florida Retirement System.”

Two things occurred back in time, very few employees opted out of the Florida Retirement System to enter into the local agency investment annuity and the employer contribution rates under FRS remained as a relatively low blended rate. It was not until a few years back, around 2011, that FRS management provided each component of the blended rate specific for pension and investment FRS plan types. The State of Florida did this for two reasons. First, there is a difference between a Defined Benefit Plan funding structure and a Contribution Plan. Second, the component known as the *unfunded actuarial liability* (UAL), only associated with the Defined Benefit Plan, was growing at a greater rate than incoming contributions and interest earnings. The UAL is the component calculated to shore up the financial viability of the FRS Defined Benefit Plan as a whole and not for the direct benefit of the individual. It was at this juncture that Escambia County staff did not amend their procedure for communicating the percentage to be contributed to the ICMA 401(a) plan. The local agency plan does not have a UAL component because the ICMA 401(a) plan is a *contribution* plan. Contribution plans do not have the same benefit structure as the FRS Defined Benefit Program which always has an unfunded liability component. It is clear on the Uniform FRS Contribution Rates Effective July 1, 2021 to June 30, 2022, that the FRS Defined Benefit Program has a UAL line item cost and the FRS Investment Plan does not.

II. FOR INFORMATION – Continued

1. Continued...

It is for this reason that a correction is being made to the County contribution rate provided for the ICMA 401(a) plan. The County's workplace 401(a) account is a defined contribution plan sponsored by the employer. This type of plan has all of the same characteristics of the FRS Investment Plan; however, it is outside of the State of Florida retirement program and therefore does not require a blended rate payment to the County plan. The rate to be used is the line item titled "Employer Contribution to the Investment Plan Account." The local plan does not have a disability or death benefit component. To continue the current practice of using the FRS Blended Employer Contribution Rate, which includes the UAL component, is to grossly overfund individual 401(a) accounts. The FRS UAL cost component should never factor into a local agency contribution plan.

July 1, 2020 to June 30, 2021 used to fund ICMA 401(a) plan using the FRS Blended Employer Contribution Rate:

27.29% SMSC (UAL Component 19.18%)

49.18% Elected Officers (UAL Component 37.39%)

July 1, 2021 to June 30, 2022 FRS Blended Employer Contribution Rate:

29.01% SMSC (UAL Component 20.80%)

51.42% Elected Officers (UAL Component 39.42%)

July 1, 2021 - ICMA 401(a) Employer Contribution Rates are as follows:

(Reference: FRS Investment Plan Rates - Employer Contribution to Investment Plan Account)

4.67% SMSC

8.34% Elected Officers

<p>Motion: Move to ask that things stay status quo currently and ask our County Attorney to seek the opinions and information that I've asked for and Commissioner Bergosh has asked for and Commissioner May has asked for and to try to maintain a steady dialogue with the Clerk's Office during this interim time, a more active communication</p> <p>For Information: The Board discussed and heard comments from the Honorable Pam Childers, County Attorney Alison Rogers, and Clerk's General Counsel Codey Leigh, regarding the legality of the ICMA 401(a) plan contribution rates for Elected Officers and Senior Management Services Class (SMSC), as well as authority to set the rates. Clerk Childers advised that the SMSC rate would remain at status quo, but that the Elected Officers rate would be 8.34% as of July 1, 2021; Clerk Childers further advised that the statutes allow a rate for Elected Officers of up to 10.28% if the Board wished to make a change to that rate but no action was taken by the Board regarding the 10.28% rate. The Board also discussed who would be preparing the requested legal opinion regarding a "settlement," and taking a look at the retirement program as a whole.</p>

The zoning designation for the referenced parcel is Public (Pub) and an area with no zoning spelled out as None. The applicant is aware that the current zoning and proposed FLU are not compatible. However, Escambia County is proposing a new Master Plan with a new zoning district called “Outlying Landing Field 8 (OLF-8) Master Plan District” in Chapter 3, creating Article 6, Section 3-6.1 for this 539.1 (+/-) site. The new master plan will provide multiple new zoning categories and new enhanced designed standards. The applicant understands that the OLF-8 Master Plan District approval will be necessary to make the FLU compatible.

COUNTY ADMINISTRATOR'S REPORT – Continued

III. FOR DISCUSSION – Continued

2. Recommendation: That the Board discuss updates to the Public Records and Privacy Disclaimers for the County to include the IP Address as an identifier that may become public record if the original email is released to the public upon request. This will provide further notice to the public.

It is agreed with the Attorney General that “(a) person requesting access to or copies of public records, therefore, may not be required to disclose his (or her) name, address, telephone number or the like to the custodian, unless the custodian is required by law to obtain this information prior to releasing the records.” Op. Att’y Gen. Fla. 92–38 (1992) see also Op. Att’y Gen. Fla. (May 27, 2011) (informal opinion) (reiterating that an anonymous requestor may not be forced to disclose his or her name, address, telephone number, or similar identifying information)...The duty of a custodian to safeguard records is not sufficient to justify the imposition of an additional condition, which might for some have a chilling effect on access to public records. Chandler v. City Of Greenacres, 140 So. 3d 1080, 1084–85 (Fla. 4th DCA 2014).

It is common knowledge that providing a specific IP address is similar to providing the location or name of the person who sent the message. IP addresses are unique, and disclosing the IP address of the anonymous citizen in question could ultimately reveal that person’s identity and render them anonymous no more – which could be in violation of the law. So the County will change the disclaimers to appropriately notify the public.

On the MGO Public Records Request site it currently states an option to allow a constituent to Proceed Anonymously (See Below):

The screenshot shows a login interface with a light blue header containing the word "Login". Below the header, a message reads: "To track a reported issue online you must login. Or you can cancel this login and submit anonymously". There are two input fields: "E-mail" with a placeholder "e.g. youremail@jurisdiction.org" and "Password" with a placeholder "Your password". A link "Forgot password?" is located to the right of the password field. At the bottom, there are three buttons: "Create New Account" (blue), "Login" (green), and "Proceed Anonymously" (light blue).

We will also need to change the language on our County Website: (See Below):

We will also need to change the language that is tagged onto all County emails: (See Below):
